JAPANESE TROOP TRAIN BOUND FOR SEOUL.

ROCKEFELLER IS HEARD FROM

NOTWITHSTANDING A TERRIBLE
STORM, WORK OF GATHER-
ING IN THE DEAD GOES
STEADILY ON.

JOHN D. MAY GIVE

The Bodies of the Slocum Dead Last
Recovered Are in Such a Condition
That It Is Impossible to Recognize
Them.

New York, Tuesday.—All through
the night, despite the terrific electrical
storm that swept over the city, the
search for victims of the Gen. Slocum
disaster held to the gruesome work,
and today the total number of bodies
recovered has reached the total num-
ber of 770. Although more than 200
bodies have been taken from the river,
the list in missing has remained al-
most unchanged today. When the to-
tal of bodies recovered exceeded 750,
the list of the missing continued well
above the 300 mark.

Most of the bodies taken from the
river today were in such a condition
that identification was impossible.
John D. Rockefeller has written to
the committee in charge of the relief
fund for the widows and orphans of
the Slocum disaster, promising to
make good any deficiency in the fund
after the voluntary contributions had
ceased.

Collector Makes Raid On Tombstone Joint

UNITED STATES OFFICERS PULL
A HOP JOINT IN TOMBSTONE
AND MAKE GOOD HAUL.

(Special to Review.)

Tombstone, Tuesday.—Deputy Col-
lector Wright, of Naco, paid a visit to
Tombstone today officially, although
he didn't herald his official coming, but
adjusting his gum boots he noiselessly
landed in one of Tombstone's hop
joints, and none of which they have in
Ireland. The collector had scarcely
more than landed in John, alias the
Slant Eyes' place, until he put his eye
on five, mind you, five nice brand new
cases of opium. It would seem that
John had "imported" the dope, but had
neglected the little detail of manifest-
ing the same. Now, Uncle Sam likes
manifests, and Mr. Wright just con-
fiscated the bunch of dreams enclosed in
the cans. Many millions of dollars
(in somebody's minds) were lost
through this visit of the keen scented
collector. But—then, we're glad he
got it over here.

Baptists, Take Notice.—Arrange-
ments have been made for the organi-
zation of a Baptist church in Bisbee,
and all members of that denomination
and all others who wish to become
members of the same, are asked to be
present at a meeting appointed to meet
in Library Hall, at 7:45 Sunday even-
ing, June 26, 1904, for that purpose.
Members of the Board of Home Mis-
sions will be present to have charge of
the services. Come, even if you have
not been called upon. There are
enough Baptists in this city to form a
strong society.

Portland Resumes work With Non-Union Men

PORTLAND MINE HAS RESUMED
OPERATIONS—MILITARY COM-
MISSION SAYS WHO SHALL
WORK IN MINE.

Victor, Colo., Tuesday.—To-
day the Portland mine resumed
work, with a non-union force,
as ordered by the board of di-
rectors.
The military commission,
who now determine who may
live and work in the Cripple
Creek District, met at the Port-
land shaft house to pass upon
the applications for cards from
the mine owners' as all miners
are required to take out such
cards before work is given
them. It is claimed the Port-
land company will have no dif-
ficulty in securing its full com-
plement of 500 men, though to-
day only a small number was
employed.

Moreno Is Found Guilty of Murder

MEXICAN WHO MURDERED AR-
THUR WRIGHT IS FOUND
GUILTY AND SENTENCED
FOR LIFE.

(Special to Review.)

Tombstone, Tuesday.—The jury in
the case of the Territory against Ra-
mon Moreno, this evening returned a
verdict of guilty of murder in the first
degree, and the prisoner was sentenced
to the penitentiary at Yuma for life.
There are two accessories to the fact,
and their trial will take place with the
opening of court tomorrow morning.
Romero gave no outward manifesta-
tions of either being relieved or wor-
ried over the verdict given by the jury.

Bisbee Post Office Looming Up

AT LAST BISBEE IS TO BE RE-
LIEVED OF THE CONGESTED
CONDITION BY APPOINT-
MENT OF NEW
CLERKS.

(Special to Review.)

Washington, Tuesday.—
The Postmaster General to-
day issued an order allowing
Bisbee one additional clerk at
a salary of \$500 per annum,
and two promised at a salary of
from six hundred to seven hun-
dred dollars, and one clerk at
from seven to eight hundred
dollars per annum.
This is occasioned by the tre-
mendous growth in the receipts
of the business accruing at the
Bisbee post office. These ad-
ditional clerks are to be install-
ed at once.
A post office have been es-
tablished at Harrington, Ya-
valina county, with Robert G.
Sherer as postmaster.

Has Gone Home.—B. S. Hattisch
of Tombstone, one of Arizona's pio-
neers who has been spending a couple
of days in Bisbee left last night for
his home. He expressed himself as
much pleased with his visit to this
camp.

ROOSEVELT AND FAIRBANKS WILL PROBABLY HEAD REPUBLICAN TICKET

Tariff Revision is the Program, No Excitement at G.O.P. Convention

THE REPUBLICAN DELEGATES HAVE GATHERED IN CHI-
CAGO, AND WILL CARRY OUT THE WISHES OF THEIR PARTY
BY NAMING TEDDY THE FIRST FOR PRESIDENT, AND FAIR-
BANKS FOR HIS SIDE KICKER. NAME OF THE DEPARTED
LEADER, M. A. HANNA, CHEERED BY THE ASSEMBLED REP-
RESENTATIVES OF THE PARTY—ROOT CHOSEN AS TEMPO-
RARY CHAIRMAN.

CONVENTION HALL, CHICAGO, TUESDAY.—Without the slightest
flurry of excitement, and with little en-
thusiasm, the thirteenth National con-
vention of the Republican party assem-
bled today at noon.

As the thousands of delegates gathered
at the Coliseum and filed into the
splendidly arranged hall there were no
demonstrations such as have marked
previous gatherings of the kind, for all
came with a full knowledge of what is
to be done. So solemn and decorous
was the gathering, that one almost ex-
pected to hear a good old Methodist
hymn follow the invocation of Rev. T.
P. Frost. (See full text of Rev.
Frost's prayer on Page One.)

"Roosevelt and Fairbanks, and Tar-
riff Revision" is the program that has
been prepared and will be ratified by
the convention during its session.

With three heavy taps of the gavel
Chairman Payne called the convention
to order at 12:37 p. m. He then in-
troduced Rev. Timothy Frost, pastor
of the First Methodist Church of Ev-

NAN SAYS "NOT GUILTY."

Nan Patterson, Charged With Murder
of Caesar Young, Enters Plea
of "Not Guilty."

New York, Tuesday.—Today a for-
mal plea of "not guilty" was made by
Mrs. Nan Patterson when she was ar-
raigned in the Court of General Ses-
sions, charged with the murder of
Caesar Young, the bookmaker. At
the same time counsel for Mrs. Pat-
terson served notice on the district
attorney that a motion would be made
to the court for an early trial of the
case.

Returned From School.—Miss May
Fenderson has returned to Bisbee
from Tucson, having completed her
studies for this year, at the Sisters
school in that city.

ant day," said the pleasant little gen-
tleman. "Certainly is," responded the
Panama wearer. From this a genial
companionship was struck, until the
pleasant little gentleman remarked:
"Nice hat you have there." "Yes,"
said his companion. "I just bought
that over in Mexico a little while ago,
and wore it across the line and beat
the custom officers to it, they're so
blamed smart, you know." "That's
so," said the p. l. g., "but I am a cus-
toms officer, and I'll just take you and
the hat," and he did. Now, who was
the business man? They say the Pan-
ama question with him is a ticklish
one to refer to in his presence.

Fred Sweetland Kidnaps Child

MOTHER HAS CHILD IN NACO,
WHEN THE FATHER FOL-
LOWS, PICKS HER UP,
AND JUMPS TO CAN-
ANEA.

(Special to Review.)

Tombstone, Tuesday.—As a remind-
er of the divorce proceedings between
Fred Sweetland and his wife, the lit-
tle child of the couple while in Naco
yesterday with its mother, was taken
by Sweetland, who, having gained pos-
session of the little one, took her to
Cananea and beyond the reach of the
mother.

Russian Losses Awful At Battle Of Vafangow

EXPECT THAT TOTAL OF RU-
SIAN KILLED WILL BE 6,500.
FIGHTING AT HAI CHENG.

St. Petersburg, Tuesday.—Re-
ports of heavy fighting at Hai
Cheng are being received by
the General Staff. The Japs
continue to advance from Siu
Yen, and there are continuous
skirmishes between the out-
posts, but no further news of a
general advance of Gen. Oku's
army has been received.

The Russian losses at the
battle of Vafangow are turning
out to be heavier as the re-
ports of the various regiments
come in. The war now placed
by a conservative estimate at
4,000 but from a usually well
informed source it is learned
that the total will not be less
than 6,500.

Maybe Maxwell's Murderer.—At a
late hour last night it was reported
that one of the murderers of the Max-
well boys had been arrested. In Naco
and had escaped. A Mexican was ar-
rested for carrying concealed weapons
and locked up in the Naco jail. He
made his escape, leaving his coat be-
hind. In the pocket of the coat a
check in favor of J. B. Maxwell was
found. The check was on the Bank
of Douglas. It is expected that a
posse will go from Douglas to exter-
minate the grant of bandits suspected of
the assassination of the Maxwells.

O'Hare in Court.—Yesterday Attor-
neys Watson and Slavin, of Douglas,
were in Bisbee to defend Martin
O'Hare in the case brought against
him of obstructing the Dry Creek
water course. In Judge McDonald's
court. The case was taken under ad-
visement by the justice. O'Hare
built a stone wall in the water course
partly cutting it off. Hence the action
taken in court.

TO THE COAST.—Bert Yost, who has
been working in the Copper Queen
mines for some time, left Bisbee yester-
day for California to be absent
about two weeks. Mr. Yost is a
brother of "Bravo Juan," the outlaw
who was implicated with Alford and
Stiles in their train hold up.

A Douglas Lawyer.—Attorney Wirt
French of Douglas was in Bisbee yester-
day on legal business.

One of the Boys.—Wm. Nemeck,
of Cananea, was in Bisbee yesterday.
Before going to Cananea, Mr. Nemeck
was manager of the Orient saloon of
this city.
